To: Federal Communications Commission
Marlene H. Dortch, Secretary
Office of the Secretary

This letter is to respectfully request a waiver of the March 15, 2013 deadline for filing form 471 with the Universal Services Administrative Company.

St. Charles Borromeo School has completed and filed form 471, however, the completed information was submitted after the March 15, 2013 deadline. Unforeseen budgetary complications held us from committing to services until later in the year.

It is with great respect that we request this waiver. Without the support of the Universal Services Administrative Company, we will find it hard to provide the services we need to effectively communicate with families, and to provide services to our students.

We acknowledge our untimely filing has placed us in this position. We hope your office can provide us this waiver.

Sincerely,
Ronda Mahach, Technology coordinator
